

**GLOBAL COMMUNITY
INVESTMENT POLICY**

GLOBAL COMMUNITY INVESTMENT POLICY

3. PURPOSE AND SCOPE

The purpose of this Community Investment Policy (“the Policy”) is to put forward the principles to adopt while developing community investment initiatives. Company recognized the impact of its operations on its stakeholders, the environment, and community at large and emphasizes significance of sustainable development.

This Policy, which is an integral part of the Koç Group Code of Ethics³² and Company Global Code of Conduct, is developed to demonstrate Company’s commitment to making a positive impact on the welfare and sustainable development of related communities and the environment engaged with as a corporate citizen.

Company is committed to conducting business in conformity with the highest ethical standards. As a signatory to the UN Global Compact³³, Koç Holding A.Ş. complies with UN Global Compact’s 10 Principles. As a globally acting Koç Group company, Company also complies with those Principles.

This Policy is a reflection of Koç Holding’s sustainability approach: “Lead. Together”, as well as Koç Group Sustainability Guide.³⁴

4. DEFINITIONS

“**Beko**” or “**Company**” refers to all companies directly or indirectly, individually or jointly controlled by Arçelik A.Ş. and its joint ventures.

3. GENERAL PRINCIPLES

“Due Diligence”³⁷ is conducted on organizations or individuals that are supported by Company, in order to ensure that Community Investments are met by the reliable parties with sound purposes.

Company ensures that Community Investments, including those with organizations or individuals, abide by Koç Group Code of Ethics, Company Global Code of Conduct, Global Human Rights Policy, Global Donations and Sponsorship Policy, Global Anti-Bribery and Corruption Policy and other relevant policies.

Applying to memberships of the regional, national, or international organizations, or being signatory to agreements related to Community Investments require ensuring compliance with the UN Global Compact Principles as it may affect Koç Group’s and Company’s reputation.

4. APPLICATION OF THE POLICY

While making Community Investments, in line with Koç Group Sustainability Guide³⁸, Company considers the following:

- Whether the relevant Community Investment is compatible with the priorities and needs of the regions where Company’s business activities are carried out,
- Providing a clear connection between Community Investment activities and business strategy,
- Establishing strong partnerships with civil society organizations, international organizations, universities or individuals in order to put forward applicable solutions,
- Ensuring that the objectives and results of the Community Investments are measurable and scalable by design, and the results have the potential to be disseminated across other businesses and regions, and
- Ensuring that they are aligned with the social and environmental goals, as mentioned in the UN Sustainable Development Goals.

5. AUTHORITY AND RESPONSIBILITIES

This Policy is to provide guidance in developing Community Investment initiatives for all employees, directors and officers of Company. If you notice any action you believe to be inconsistent with this Policy, you are required to seek guidance from Company Sustainability Management and Corporate Brand and Projects, Management under Strategic Communications Group Management, the responsible functions.
